MANABLOC®

WATER DISTRIBUTION SOLUTIONS

**CUSTOMIZABLE + ENERGY-SAVING
WITH VIEGA® MANAFOLD SYSTEMS**

VIEGA MANABLOC®

FEWER PARTS. LESS COMPLICATION.

The Viega ManaBloc is a highly engineered, 100% factory tested water distribution system designed to resist scaling and corrosion. This complete system allows you to control every supply line from one central location, improving the efficiency and balance of your hot and cold-water distribution. Additionally, the ManaBloc requires fewer fittings behind the wall, drastically reducing the potential for leaks.

Viega ManaBlocs are easy to install using our flexible PureFlow PEX, and come standard with a 10-year, transferrable warranty. Installers have the option to choose a ManaBloc for PureFlow Press or PureFlow Crimp installation.

BENEFITS + FEATURES

- Available for 3/4" and 1/2" PEX Lines
- Individual valves for every line allows you to shut off individual lines as necessary without cutting off water to the entire home
- ManaBlocs come in 14-35 port combinations depending on the home's needs
- When using PureFlow Press fittings, installers will enjoy the assurance of our Smart Connect technology, ensuring that every connection is secure, every time.
- The industry's largest reservoir means users will have smaller temperature and pressure changes than manifold and branch and tee installations.
- The PureFlow PEX used with the Viega ManaBloc has several advantages over copper tubing, including minimized flow noise and better insulation for less energy loss.

This document is subject to updates. For the most current Viega literature please visit www.viega.us. The term Viega does not apply to a specific company within the various separate and distinct companies comprising the Viega group of companies. The term Viega as used in this publication refers to the Viega brand itself or generally to the Viega group of companies. References to activities in North America specifically refer to activities of Viega LLC. Viega products are designed to be installed by licensed and trained plumbing and mechanical professionals who are familiar with Viega products and their installation. Installation by non-professionals may void Viega LLC's warranty. ©2023, Viega®, MegaPress®, ProPress®, Smart Connect®, XL®, and Viega: Connected in quality® are trademarks of Viega Holding GmbH & Co.
