

Connected in quality.

MEGAPRESS® BALL VALVE

NOW AVAILABLE

— COMPLETE THE SYSTEM
WITH NEW VIEGA® BALL VALVES

Features Smart Connect® technology
which helps installers easily identify
unpressed connections. Smart Connect
is built directly into each press fitting and
helps identify any unpressed connections
during system pressure tests.

THE LATEST ADDITION TO THE MEGAPRESS SYSTEM **IDEAL FOR COMMERCIAL AND INDUSTRIAL APPLICATIONS**

MEGAPRESS® BALL VALVE

SEALING ELEMENTS: EPDM
MATERIAL: CARBON STEEL
OPERATING TEMPERATURE: 0°F to 250°F
PRESSURE: 250PSI
SIZE: ½" – 2"

The MegaPress ball valve is a full port valve which features a carbon steel body, stainless steel ball and a lockable handle. Plus its double-stem seal makes it versatile for a wide range of applications.

MEGAPRESS® FKM BALL VALVE

SEALING ELEMENTS: FKM
MATERIAL: CARBON STEEL
OPERATING TEMPERATURE: 14°F to 284°F
PRESSURE: 250PSI
SIZE: ½" – 4"

This full port ball valve has the same carbon steel body, double-stem seal, stainless steel or chrome plated ball depending on size and lockable handle, yet features an FKM sealing element which is designed for use in higher-temperature applications.

MEGAPRESS® 316 BALL VALVE

SEALING ELEMENTS: EPDM
MATERIAL: 316 STAINLESS STEEL
OPERATING TEMPERATURE: 0°F to 250°F
PRESSURE: 250PSI
SIZE: ½" – 4"

The 316 full port ball valve works in a variety of harsh environments, including cleaning agents, acid and potable water. This valve is made of a 316 stainless body featuring a double-stem seal, a stainless steel ball, and a lockable handle.

MEGAPRESS® 304 FKM BALL VALVE

SEALING ELEMENTS: FKM
MATERIAL: 304 STAINLESS STEEL
OPERATING TEMPERATURE: 14°F to 284°F
PRESSURE: 250PSI
SIZE: ½" – 4"

The 304 full port ball valve features a 304 stainless steel body, double-stem seal, stainless steel ball and lockable handle. The combination of the 304 stainless steel and the FKM sealing element makes this option ideal for harsh environments that require higher operating temperatures.

Viega MegaPress valve accessories are now available and are interchangeable across multiple valve products. With a wide range of options available, you're sure to find the accessory right for your job. Whether you need a handle, stem extension, or something else entirely, Viega has you covered. **Contact your local Viega sales rep to learn more.**

This document is subject to updates. For the most current Viega literature please visit www.viega.us The term Viega does not apply to a specific company within the various separate and distinct companies comprising the Viega group of companies. The term Viega as used in this publication refers to the Viega brand itself or generally to the Viega group of companies. References to activities in North America specifically refer to activities of Viega LLC. Viega products are designed to be installed by licensed and trained plumbing and mechanical professionals who are familiar with Viega products and their installation. Installation by non-professionals may void Viega LLC's warranty. ©2022, Viega®, MegaPress®, ProPress®, Smart Connect®, XL®, and Viega: Connected in quality® are trademarks of Viega Holding GmbH & Co.
