

## VIEGA LLC ON-LINE SALES DISTRIBUTION POLICY

Viega LLC (Viega) products are designed and manufactured as premium quality products to be installed by licensed plumbing and mechanical professionals with proper product and installation training. Viega products are not designed nor intended to be sold to or installed by untrained non-professionals. Accordingly, Viega LLC does not offer its products for sale to the general public but only to wholesale distributors. . . Viega products have long been identified as high quality products associated with licensed, professional contractors. This association benefits the wholesale distributors, the licensed professional plumbing and mechanical contractors that install the products, and ultimately the consumer by ensuring that licensed and trained professionals install the Viega products in their homes and businesses.

Consistent with its sales and distribution philosophy, Viega LLC requires of its wholesale customers that any program that could result in the sale of Viega products through on-line channels be accompanied by the most current product documentation and installation instructions as well as a disclaimer containing the following language:

Viega products are designed to be installed by licensed and trained plumbing and mechanical professionals who are familiar with its products' proper use and installation. **Installation by non-professionals may void Viega LLC's warranty.**
