Viega MegaPress®

The unfair advantage.
An advanced press fitting system for larger pipes.
We all want the advantage in our favor. A competitive edge that’s so far superior, it’s almost unfair. For pipefitters, that unfair advantage is here with MegaPress. Our exciting and revolutionary MegaPress line is available for up to 4\(^\circ\) diameter carbon steel pipe. Only MegaPress makes installation faster, provides more control at less cost and gives pipefitters the smart, reliable connection they need to stay ahead.

Make press connections in under 16 seconds. Save time at every installation.

Simpler. Safer. Smarter.
Installs in any condition. No cutting oils or sparks. No fire watch required like with welding.

Estimate time and labor costs with uncanny accuracy to gain more efficiency overall.

Built by a leader. So you can be one too.
With a heritage of engineering press fittings for carbon steel pipe, Viega is a name you can trust.

Viega MegaPress
- The first and only carbon steel press system for ½\(^\circ\) to 4\(^\circ\) fittings
- Compared to welding, up to 40-60\% installation cost savings and up to 90\% installation time savings
- Suitable for use with Schedule 5 to Schedule 40 carbon steel
- Approved for more applications than any other carbon steel press fitting system
- Available in sizes ½\(^\circ\) to 2\(^\circ\) with an EPDM sealing element, or sizes ½\(^\circ\) to 4\(^\circ\) with an FKM sealing element
- Eliminates cleanup and reduces callbacks compared to welding
- No fire watch or burn permits necessary for use
- Includes Viega Smart Connect technology to help identify unpressed connections
- Can be installed in higher temperature applications using the FKM sealing element

Viega MegaPress XL PressBooster
- Unique tool designed for large diameters using existing 300 series RIDGID\(^\circ\) press tools
- Only available through Viega and RIDGID\(^\circ\)
- Extends the travel of the ram to increase force
- Available with 2½\(^\circ\), 3\(^\circ\) and 4\(^\circ\) press rings and a built-in actuator

Gain the edge with MegaPress.
The unfair advantage.
