Viega PureFlow[®] Pipe Support Trays

This document is subject to updates. For the most current Viega technical literature please visit www.viega.us.

Viega products are designed to be installed by licensed and trained plumbing and mechanical professionals who are familiar with Viega products and their installation. **Installation by non-professionals may void Viega LLC's warranty.**

Description

Viega PureFlow pipe support trays are for use with clevis hangers and/or coated ring clamps to help reduce the number of support hangers required for hanging PureFlow PEX tubing. These trays are available in 10 ft. lengths for ½" through 2" PEX tubing sizes.

Features

- Galvanized finish
- Available in 10 ft. lengths
- Plenum listed*

Certifications

- QAI certified to ASTM E84 FS/SD (25/50) (US Plenum rating*)

*Viega PureFlow pipe support trays installed in plenums shall have all exposed tubing and fittings (between trays) wrapped with a minimum thickness of ½" E84 rated insulation. Refer to Viega PureFlow listing on www.qai.org.
