HANDS-ON TRAINING

BY VIEGA

— IMPROVE YOUR EFFICIENCY

WITH VIEGA® TRAINING WORKSHOPS

CO

Broomfield, CO. Seminar Center. Located 10 miles east of the striking Colorado Flatirons, this seminar center is equipped two full size classrooms, two full workshops, two half class/workshop, and two virtual studios for an immersive interactive experience.

NH

Nashua, NH. Seminar Center. Located just 40 miles north of Boston, the original Viega Seminar Center is equipped with two full size classrooms, two virtual studios, and two workshops featuring hands-on experiences including pipefitting, plumbing, hydronics and radiant heating.

NY

Queens, NY. Experience Center. The Viega Experience Center is a flexible space to connect with the industry. It's a space for architects, engineers, contractors, and anyone involved in the construction process to learn cutting-edge technologies, discuss innovative solutions, and foster collaboration.

This document is subject to updates. For the most current Viega literature please visit www.viega.us. The term Viega does not apply to a specific company within the various separate and distinct companies comprising the Viega group of companies. The term Viega as used in this publication refers to the Viega brand itself or generally to the Viega group of companies. References to activities in North America specifically refer to activities of Viega LLC. Viega products are designed to be installed by licensed and trained plumbing and mechanical professionals who are familiar with Viega products and their installation. Installation by non-professionals may void Viega LLC's warranty. ©2024, Viega®, MegaPress®, ProPress®, Smart Connect®, XL®, and Viega: Connected in quality® are trademarks of Viega Holding GmbH & Co. KG.
